THE FURRY ALTERNATIVE

Posted on [January 20, 2017](#) by [Susannah Davda](#)

If like me your house is old and draughty, you probably wear slippers. How does the transition to outdoor shoes feel for you? Cold leather boots which have spent all night in an unheated hallway, are perhaps the opposite of hygge.

When casual is the order of the day, and the weather is crisp and cold, sheepskin boots are your best friends.
